

# ECM Community Garden

Are you interested in having a plot in  
Eastside's Community Garden?

We have some raised beds available to people free of charge. We are accepting donations to assist with the cost of water and maintenance of raised beds.

If you are interested in growing your own fresh food – tomatoes, onions, peppers, zucchini, carrots, radishes, corn, pumpkins, etc.

**call 740-452-7519 to sign-up for a bed.**

We hope our community garden serves as many people from the neighborhood as possible. If you know someone who would be interested, please tell them about this opportunity.
